Primary Characters in Covenant of Water

The novel's primary characters are central to the unfolding drama and thematic exploration. Understanding their motivations and development is essential for readers seeking a fuller grasp of the book.

1. **Elias:** A pivotal character whose life is marked by tragedy and hope. Elias's experiences reflect the novel's meditation on loss and survival, illustrating how personal history shapes identity.

The depth of character development in "Covenant of Water" is one of its strengths. Each individual undergoes significant transformation, reflecting broader societal changes.
